VPCCA2SFX/D

Get portability, performance and multimedia entertainment in the 14" C Series. With features such as a backlit keyboard, USB 3.0, and HD web camera powered by Exmor™ sensor the VAIO C Series enhances your everyday experience.

Let there be light

The C Series in lively Neon Color brings the big lights and fun nights of Times Square to your PC. This exclusive one-of-a-kind design collects and radiates light around the edges of the laptop, through the VAIO® logo, and even around the touchpad making it glow with energy.

The wireless way to enjoy PC content on a big screen

Now enjoy all of your personal and online content on your big screen-by wirelessly connecting your laptop to your TV. Stop crowding around a laptop screen, with Intel® Wireless Display, you can sit back and experience your favorite videos, photos, movies , online TV shows, and more, all with great image clarity up to 1080p.

Simply connect an adapter (sold separately) to your TV, follow a few simple steps, and you're off and running. Set it up once, and sharing your screen is as easy as pie.[8]

Intel® Core™ i5 Processor technology

As the most popular family member, the 2nd generation Intel® Core™ processor features Intel® Turbo Boost Technology 2.0 that increase your PC's speed automatically. With greater speed and responsiveness, we deliver visibly smart PC performance that values time as much as you do. See and feel performance with a visible difference. Get the visibly smart processor with a boost.[2]

Imagine what you can do

Imagination Studio™ Suite 2 VAIO® Edition combines five powerful Sony® applications so you can enhance and share your music, photos, and movies like never before. Turn your video shoots into Hollywood-style movies. Make your own original music or create remixes and mash-ups of your favorite songs. Organize all your photos. Author your project to DVD and share your digital life with family and friends.

With a 2nd generation Intel® Core™ processor, amazing multimedia experience with Intel® Wireless Display[8], and easy access to the Web, VAIO Care™, and Media Gallery™ software, the C Series has beauty and brains. You get smart performance and amazing picture quality all in a sleek, up-market design with up to 9 hours of battery life.[9]

1. GHz denotes maximum microprocessor internal clock speed and may vary based on application.

2. Requires a system with Intel® Turbo Boost Technology capability. Intel Turbo Boost Technology 2.0 is available only on 2nd generation Intel® Core™ i5 and Core™ i7 processors. Performance varies depending on hardware, software and system configuration.

3. Available on select Intel® Core™ processors. Requires an Intel® HT Technology enabled system. Performance will vary depending on the specific hardware and software used.

4. 1 GB = one billion bytes. Actual formatted capacity will be less.

5. Allocation of system memory to graphics varies depending on operating condition, version of device driver and total system memory size.

6. This PC is preloaded with reduced-functionality versions of Word and Excel that include advertising. Purchase an Office 2010 Product Key to activate full-featured Office software on this PC.

7. For some third party software, Sony provides initial support. Additional support may be available from the applicable vendor. Availability may vary by vendor.

8. Requires TV Adapter and compatible television. Does not support Blu-ray Disc™ or other protected content playback.

9. Estimates based upon Sony engineering testing. Actual performance varies based on configurable options, settings, environmental conditions, and usage. Battery capacity decreases over time and use.

11. Norton™ Internet Security 2011 30-day subscription is pre-installed on your Sony VAIO PC. You need to activate the software for the product to work. After your 30-days are finished, buy Norton Internet Security to continue to be protected from viruses, hackers and identify theft.

12. Availability may be limited. See limited warranty for details.

Specifications subject to change. Non-metric weights and measures are approximate.

Certain Microsoft products included with this computer may use technological measures for copy protection. IN SUCH EVENT, YOU WILL NOT BE ABLE TO USE THE PRODUCT IF YOU DO NOT FULLY COMPLY WITH THE PRODUCT ACTIVATIONPROCEDURES. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain reinstallations of the software product(s) or reconfigurations of the computer and may be completed by Internet or telephone (toll charges may apply).

This product meets the standards of the International Energy Star Program for energy efficiency.
